A groovy kind of Love – Phil Collins

When I'm feeling blue

All I have to do

Is take a look at you

Then I'm not so blue

When you're close to me

I can feel your heart beat

I can hear you breathing in my ear

Wouldn't you agree

Baby you and me

We've got a groovy kind of love

Any time you want to

You can turn me on to

Anything you want to

Any time at all

When I kiss your lips

Ooh I start to shiver

Can't control the quivering inside

Wouldn't you agree

Baby you and me

We've got a groovy kind of love

Woah

When I'm feeling blue

All I have to do

Is take a look at you

Then I'm not so blue

When I'm in your arms

Nothing seems to matter

My whole world could shatter

I don't care

Wouldn't you agree

Baby you and me

We've got a groovy kind of love

We've got a groovy kind of love

We've got a groovy kind of love

Oh, woah
We've got a groovy kind of love

A new day has come – heiditunes

A new day has come - A new day has come

I was waiting for so long - For a miracle to come
Everyone told me to be strong
Hold on and don't shed a tear

Through the darkness and good times
I knew I'd make it through
And the world thought I had it all
But I was waiting for you

Hush, now - I see a light in the sky
Oh, it's almost blinding me - I can't believe
I've been touched by an angel with love
Let the rain come down and wash away my tears
Let it fill my soul and drown my fears
Let it shatter the walls for a new sun
A new day has come - A new day has come

Where it was dark now there's light - Where there was pain now there's joy
Where there was weakness, I found my strength - All in the eyes of a boy

Hush, now - I see a light in the sky - Oh, it's almost blinding me - I can't believe
I've been touched by an angel with love - Let the rain come down and wash away my tears
Let it fill my soul and drown my fears (Drown my fears)
Let it shatter the walls for a new sun - A new day has come - A new day has come

Let the rain come down and wash away my tears

Let it fill my soul and drown my fears (Drown my fears)
Let it shatter the walls for a new sun - A new day has come

Ohhh, a light - Hush, now
I see a light in your eyes
All in the eyes of the boy (A new day)
I can't believe
I've been touched by an angel with love (A new day)
I can't believe (A new day)
I've been touched by an angel with love (A new day)

Hush, now (A new day) - (A new day)

A thousand Years – Christina Perri

Heart beats fast
Colors and promises
How to be brave?
How can I love when I'm afraid to fall?
But watching you stand alone
All of my doubt suddenly goes away somehow
One step closer
I have died every day waiting for you
Darling, don't be afraid
I have loved you for a thousand years
I'll love you for a thousand more
Time stands still
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me
Every breath, every hour has come to this
One step closer
I have died every day waiting for you
Darling, don't be afraid
I have loved you for a thousand years
I'll love you for a thousand more
And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more

One step closer
One step closer

I have died every day waiting for you
Darling, don't be afraid
I have loved you for a thousand years
I'll love you for a thousand more

And all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more

All by myself – Eric Carmen - EvaVeraMusica

When I was young
I never needed anyone
And makin' love was just for fun
Those days are gone

Livin' alone
I think of all the friends I've known
When I dial the telephone
Nobody's home

All by myself, don't wanna be
All by myself anymore
All by myself, don't wanna live
All by myself anymore

Hard to be sure
Sometimes I feel so insecure
And love so distant and obscure
Remains the cure

All by myself, don't wanna be
All by myself anymore
All by myself, don't wanna live
All by myself anymore

When I was young
I never needed anyone
And makin' love was just for fun
Those days are gone

All by myself, don't wanna be
All by myself anymore
All by myself, don't wanna live
All by myself anymore

All by myself, don't wanna be
All by myself anymore
All by myself, don't wanna live

All my life – Linda Ronstadt

All my life, I've been searching for something
Something never comes, never leads to nothing
Nothing satisfies but I'm getting close
Closer to the prize at the end of the rope

All night long I dream of the day
When it comes around, then it's taken away
Leaves me with the feeling that I feel the most
Feel it come to life when I see your ghost

Come down, don't you resist
You've such a delicate wrist
And if I give it a twist
Something to hold when I lose my grip

Will I find something in that?
So, give me just what I need
Another reason to bleed - One by one, hidden up my sleeve - One by one, hidden up my sleeve

Hey, don't let it go to waste - I love it but I hate the taste - Weight keeping me down - Hey, don't let it go to waste
- I love it but I hate the taste - Weight keeping me down

Will I find a believer? - Another one who believes - Another one to deceive - Over and over, down on my knees

If I get any closer and if you open up wide - And if you let me inside - On and on, I've got nothing to hide
On and on, I've got nothing to hide

Hey, don't let it go to waste - I love it but I hate the taste - Weight keeping me down - Hey, don't let it go to waste
- I love it but I hate the taste - Weight keeping me down

All my life, I've been searching for something - Something never comes, never leads to nothing - Nothing satisfies
but I'm getting close - Closer to the prize at the end of the rope

All night long I dream of the day - When it comes around, then it's taken away - Leaves me with the feeling that I
feel the most - Feel it come to life when I see your ghost

Then I'm done, done, on to the next one - Done, done and I'm on to the next one

Hey, don't let it go to waste I love it but I hate the taste Weight keeping me down Hey, don't let it go to waste I
love it but I hate the taste Weight keeping me down Done, done, on to the next one Done, I'm done and I'm on to
the next

Amazing Grace - John Newton, trad.

Amazing grace
How sweet the sound
That saved a wretch like me
I once was lost, but now I'm found
Was blind, but now I see
 'Twas grace that taught my heart to fear
And grace my fears relieved
How precious did that grace appear
The hour I first believed
 My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood, His mercy rains
Unending love, Amazing grace
 The Lord has promised good to me
His word my hope secures
He will my shield and portion be
As long as life endures
 My chains are gone
I've been set free (been set free)
My God, my Savior has ransomed me (ransomed me)
And like a flood (like a flood) His mercy rains (mercy rains)
Unending love, oh, Amazing grace
 The Earth shall soon dissolve like snow
The sun forbear to shine
But God, Who called me here below
Will be forever mine
 My chains are gone
I've been set free
My God, my Savior has ransomed me
And like a flood, His mercy rains
Unending love, Amazing grace (grace)
 I once was lost, but now I'm found

Was blind (was blind), but now (but now) I see.

Angels – 2Meredith

Angels or Devils - MarieeveM

Angel – In the Arms of an Angel – Sarah McLachlan - MarianneCooper

Spend all your time waiting
For that second chance
For a break that would make it okay
There's always some reason
To feel not good enough
And it's hard at the end of the day
I need some distraction
Oh a beautiful release
Memories seep from my veins
Let me be empty
Oh and weightless and maybe
I'll find some peace tonight

In the arms of the angel - Fly away from here
From this dark cold hotel room - And the endlessness that you fear
You are pulled from the wreckage - Of your silent reverie
You're in the arms of the angel
May you find some comfort here

So tired of the straight line - And everywhere you turn
There's vultures and thieves at your back
And the storm keeps on twisting
You keep on building the lies
That you make up for all that you lack
It don't make no difference
Escaping one last time

It's easier to believe
In this sweet madness

Oh this glorious sadness - That brings me to my knees
In the arms of the angel - Fly away from here
From this dark cold hotel room - And the endlessness that you fear
You are pulled from the wreckage

Of your silent reverie
You're in the arms of the angel
May you find some comfort here
You're in the arms of the angel
May you find some comfort here

Angie - gotitcovered

Annies Song – Jo Heather

Another Love – Tom Odell

I wanna take you somewhere so you know I care
But it's so cold, and I don't know where
I brought you daffodils in a pretty string
But they won't flower like they did last spring

And I wanna kiss you, make you feel alright
I'm just so tired to share my nights
I wanna cry and I wanna love
But all my tears have been used up

On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up
On another love, another love
All my tears have been used up

And if somebody hurts you, I wanna fight
But my hands been broken, one too many times
So I'll use my voice, I'll be so fucking rude
Words, they always win, but I know I'll lose

And I'd sing a song, that'd be just ours
But I sang 'em all to another heart
And I wanna cry I wanna learn to love
But all my tears have been used up

On another love, another love
All my tears have been used up

(Oh, need a love, now, my heart is thinking of)
I wanna sing a song, that'd be just ours

But I sang 'em all to another heart
And I wanna cry, I wanna fall in love
But all my tears have been used up

On another love, another love
All my tears have been used up

Autumn leaves – Eva Cassidy Betsann

The falling leaves
Drift by the window
The autumn leaves
Of red and gold
I see your lips
The summer kisses
The sun-burned hands
I used to hold

Since you went away
The days grow long
And soon I'll hear
Old winter's song
But I miss you most of all, my darling
When autumn leaves
Start to fall

Since you went away
The days grow long
And soon I'll hear
Old winter's song
But I miss you most of all, my darling
When autumn leaves
Start to fall

Rows and flows of angel hair
And ice cream castles in the air
And feather canyons everywhere
I've looked at clouds that way

But now they only block the sun
They rain and snow on everyone
So many things I would've done
But clouds got in my way

I've looked at clouds from both sides now
From up and down, and still somehow
It's cloud illusions, I recall
I really don't know clouds at all

Moons and Junes and Ferris wheels
The dizzy dancin' way you feel
As every fairy tale comes real
I've looked at love that way
But now it's just another show
You leave 'em laughin' when you go
And if you care, don't let them know
Don't give yourself away

I've looked at love from both sides now - From give and take, and still somehow
It's love's illusions, I recall - I really don't know love at all
Tears and fears and feeling proud - To say "I love you" right out loud
Dreams and schemes and circus crowds - I've looked at life that way

But now old friends are acting strange - They shake their heads, they say I've changed
Well, something's lost, but something's gained - In living every day
I've looked at life from both sides now - From win and lose and still somehow
It's life's illusions, I recall - I really don't know life at all

I've looked at life from both sides now - From up and down, and still somehow
It's life's illusions, I recall - I really don't know life at all

Bridge over troubled water – Fanni1705

Calling You – Jevetta Steele

A desert road from vegas to nowhere,
Some place better than where you've been.
A coffee machine that needs some fixing
In a little café just around the bend.

I am calling you.
Can't you hear me?
I am calling you.

A hot dry wind blows right through me.
The baby's crying and I can't sleep,
But we both know a change is coming,
Coming closer sweet release.

I am calling you.
I know you hear me.
I am calling you.
Ohhhh.

I am calling you.
I know you hear me.
I am calling you.

A desert road from vegas to nowhere,
Some place better than where you've been.
A coffee machine that needs some fixing

In a little café just around the bend.

A hot dry wind blows right through me.
The baby's crying and I can't sleep
And I can feel a change is coming,
Coming closer sweet release.

I am calling you.
Can't you hear me?
I am calling you.
Ohhhhhh
Uhhhh...

Caravan of Love – The Housemartins

Are you ready - Are you ready
Are you ready - Are you ready

Are you ready for the time of your life?
It's time to stand up and fight
It's alright - It's alright
Hand in hand we take a caravan to the motherland

One by one we gonna stand up with pride
One that can't be denied
Stand up - Stand up

From the highest mountain, valley low
We'll join together with hearts of gold
Now the children of the world can see
This is a better place for us to be
The place in which we were born
So neglected and torn apart

Every woman every man Join the caravan of love
(Stand up) stand up Stand up
Everybody take a stand Join the caravan of love

(Stand up) stand up Stand up

I'm your brother - I'm your brother don't you know
She's my sister - She's my sister don't you know
We'll be living in a world of peace - And the day when everyone is free
We'll bring the young and the old - Won't you let your love flow, from your heart

Every woman every man - Join the caravan of love - (Stand up) stand up - Stand up
Every body take a stand - Join the caravan of love - (Stand up) stand up - Stand up

I'm your brother - I'm your brother don't you know
She's my sister - She's my sister don't you know
So are you ready (he's coming) - Are you ready (he's coming)
Are you ready (he's coming) - Are you ready (he's coming on the caravan)

You better get ready (go for it) You better get ready (go for it) - You better get ready (go for it)
You better get ready

Chasing Cars – Snow Patrol

We'll do it all – Everything - On our own

We don't need – Anything - Or anyone

If I lay here - If I just lay here
Would you lie with me and just forget the world?

I don't quite know - How to say
How I feel

Those three words - Are said too much
They're not enough

If I lay here - If I just lay here
Would you lie with me and just forget the world?
Forget what we're told - Before we get too old
Show me a garden that's bursting into life

Let's waste time - Chasing cars
Around our heads
I need your grace - To remind me
To find my own

If I lay here - If I just lay here
Would you lie with me and just forget the world?
Forget what we're told - Before we get too old
Show me a garden that's bursting into life

All that I am - All that I ever was
Is here in your perfect eyes, they're all I can see
I don't know where
Confused about how as well
Just know that these things will never change for us at all
If I lay here
If I just lay here
Would you lie with me and just forget the world?

Creep - Radiohead

When you were here before
Couldn't look you in the eye
You're just like an angel
Your skin makes me cry
You float like a feather
In a beautiful world
I wish I was special
You're so fuckin' special
But I'm a creep
I'm a weirdo
What the hell am I doin' here?
I don't belong here
I don't care if it hurts
I wanna have control
I want a perfect body
I want a perfect soul
I want you to notice
When I'm not around

So fuckin' special
I wish I was special
But I'm a creep
I'm a weirdo
What the hell am I doin' here?
I don't belong here
She's running out the door (run)
She's running out
She run, run, run, run
Run
Whatever makes you happy
Whatever you want
You're so fuckin' special
I wish I was special
But I'm a creep
I'm a weirdo
What the hell am I doin' here?
I don't belong here

Dance me to the end of Love – Leonard Cohen

Dance me to your beauty with a burning violin
Dance me through the panic 'til I'm gathered safely in
Lift me like an olive branch and be my homeward dove
Dance me to the end of love
Dance me to the end of love

Oh, let me see your beauty when the witnesses are gone
Let me feel you moving like they do in Babylon
Show me slowly what I only know the limits of
Dance me to the end of love
Dance me to the end of love

Dance me to the wedding now, dance me on and on
Dance me very tenderly and dance me very long
We're both of us beneath our love, we're both of us above
Dance me to the end of love
Dance me to the end of love

Dance me to the children who are asking to be born
Dance me through the curtains that our kisses have outworn
Raise a tent of shelter now, though every thread is torn
Dance me to the end of love

Dance me to your beauty with a burning violin
Dance me through the panic 'til I'm gathered safely in
Touch me with your naked hand or touch me with your glove
Dance me to the end of love
Dance me to the end of love
Dance me to the end of love

Dann bin ich zuhaus – Gregor Meyle

Immer wenn du loslässt
Läufst du Gefahr zu Bruch zu geh'n
Wenn du zu stark dran festhältst
Verlierst du zu schnell deine Kraft

Falls du doch am Boden aufprallst
Weiβt du, die Scherben bringen Glück
Und während du fällst
Spürst du jeden Augenblick

Ich leg mein'n Kopf in deine Hände
Wenn ich dein Herz hör, geht's mir gut
Weit entfernt vom bittren Ende
Deine Liebe macht mir Mut

Und du sprichst mir von der Seele
Kennst dich verdammt gut bei mir aus
Wenn ich in deine Augen sehe
Dann weiß ich, ich bin zuhaus

La-la-la-la-la La-la-la-la-la La-la-la-la Dann weiß ich, ich bin zuhaus

Und wenn man dich enttäuscht hat - Fällt es schwerer zu vertrau'n
Sind die Zweifel berechtigt - Bist du durch deine Fragen zu durchschau'n

Hast du dich dann entschieden - Kommt alles anders, als du denkst
Und du hoffst auf dein Glück - Während du dein Herz verschenkst

Ich leg mein'n Kopf in deine Hände - Wenn ich dein Herz hör, geht's mir gut
Weit entfernt vom bittren Ende - Deine Liebe macht mir Mut
Und du sprichst mir von der Seele - Kennst dich verdammt gut bei mir aus
Wenn ich in deine Augen sehe - Dann weiß ich, ich bin zuhause

Oh, hey-hey - Dann weiß ich, ich bin zuhause – Oh - Dann bin ich zuhause
La-la-la-la-la - La-la-la-la-la - La-la-la-la
Ich leg mein'n Kopf in deine Hände - Wenn ich dein Herz hör, geht's mir gut - Weit entfernt vom bittren Ende -

Danny Boy – Trad.

Oh Danny Boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side
The summer's gone and all the roses falling
It's you, it's you must go and I must bide

But come ye back when summer's in the meadow
Or when the valley's hushed and white with snow
It's I'll be here in sunshine or in shadow
Oh Danny Boy, oh Danny Boy, I love you so

But when ye come, and all the flowers are dying
And I am dead, as dead I well may be
Ye'll come and find the place where I am lying
And kneel and say an Ave there for me

And I shall hear, though soft you tread above me
And all my grave will warmer, sweeter be
For you will bend and tell me that you love me
And I shall sleep in peace until you come to me

Daylight - MarieeveM

Dein ist mein ganzes Herz – H.R. Kunze

Wir haben uns auf Teufel-komm-raus geliebt.

Dann kam er, und wir wußten nicht mehr weiter.

Du machtest Dich nicht gut als sterbender Schwan,

ich hab versagt als finsterer Reiter.

Statt Pech und Schwefel plötzlich nur noch Gletscher
und Geröll.

Wir haben so viel Glück auf dem Gewissen.

Ich brauche jeden Morgen Deinen Nachtgeruch

und keine falschen Wimpern auf dem Kissen.

Dein ist mein ganzes Herz. Du bist mein Reim auf Schmerz.

Wir werden Riesen sein. Uns wird die Welt zu klein.

Was sind das bloß für Menschen, die "Beziehungen" haben? Betrachten die sich denn als Staaten?

Die verführen sich nicht, die entführen sich höchstens. Die enden wie Diplomaten.

Wo Du nicht bist, kann ich nicht sein. Ich möchte gar nichts andres ausprobieren.

Wir sind wie alle andern, denn wir möchten heim. Es ist fast nie zu spät, das zu kapieren.

Dein ist mein ganzes Herz. Du bist mein Reim auf Schmerz.

Wir werden Riesen sein. Uns wird die Welt zu klein.

Der Weg – Herbert Grönemeyer

Ich kann nicht mehr seh'n - Trau' nicht mehr meinen Augen

Kann kaum noch glauben - Gefühle haben sich gedreht

Ich bin viel zu träge - Um aufzugeben
Es wär' auch zu früh - Weil immer was geht

Wir waren verschwor'n - Wär'n füreinander gestorben

Haben den Regen gebogen - Uns Vertrauen gelieh'n
Wir haben versucht Auf der Schussfahrt zu wenden
Nichts war zu spät - Aber vieles zu früh

Wir haben uns geschoben - Durch alle Gezeiten
Haben uns verzettelt - Uns verzweifelt geliebt
Wir haben die Wahrheit - So gut es ging verlogen
Es war ein Stück vom Himmel - Dass es dich gibt

Du hast jeden Raum - Mit Sonne geflutet
Hast jeden Verdruss - Ins Gegenteil verkehrt
Nordisch nobel - Deine sanftmütige Güte - Dein unbändiger Stolz - Das Leben ist nicht fair

Den Film getanzt - In einem silbernen Raum - Vom goldenen Balkon - Die Unendlichkeit bestaunt
Heilos versunken, trunken - Und alles war erlaubt - Zusammen im Zeitraffer - Mittsommernachtstraum

Du hast jeden Raum - Mit Sonne geflutet - Hast jeden Verdruss - Ins Gegenteil verkehrt
Nordisch nobel - Deine sanftmütige Güte - Dein unbändiger Stolz - Das Leben ist nicht fair

Dein sicherer Gang - Deine wahren Gedichte - Deine heitere Würde - Dein unerschütterliches Geschick
Du hast der Fügung - Deine Stirn geboten - Hast ihn nie verraten - Deinen Plan vom Glück - Deinen Plan vom Glück

Ich gehe nicht weg - Hab' meine Frist verlängert
Neue Zeitreise - Offene Welt
Habe dich sicher - In meiner Seele
Ich trag' dich bei mir
Bis der Vorhang fällt
Ich trag' dich bei mir
Bis der Vorhang fällt

Diamonds – Rihanna

Shine bright like a diamond

Shine bright like a diamond

Find light in the beautiful sea, I choose to be happy
You and I, you and I, we're like diamonds in the sky
You're a shooting star I see, a vision of ecstasy
When you hold me, I'm alive, we're like diamonds in the sky

I knew that we'd become one right away

Oh, right away

At first sight I felt the energy of sun rays

I saw the life inside your eyes

So shine bright, tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright like a diamond (whoa) Shine bright like a diamond (whoa)
Shining bright like a diamond We're beautiful like diamonds in the sky

Palms rise to the universe as we moonshine and molly
Feel the warmth, we'll never die, we're like diamonds in the sky
You're a shooting star I see, a vision of ecstasy
When you hold me, I'm alive, we're like diamonds in the sky

At first sight I felt the energy of sun rays - I saw the life inside your eyes

So shine bright, tonight, you and I - We're beautiful like diamonds in the sky - Eye to eye, so alive
We're beautiful like diamonds in the sky

Shine bright shine bright, tonight, you and I - We're beautiful like diamonds in the sky
Eye to eye, so alive - We're beautiful like diamonds in the sky

Don't dream its over – PennyPipes

Dream a little Dream of Me – AllisonSmuler

Dream On - MaieeveM

Dreamer – Ozzy Osburn - sk

Gazing through the window at the world outside
Wondering will mother earth survive
Hoping that mankind will stop abusing her
Sometime
After all, there's only just the two of us
And here we are, still fighting for our lives
Watching all of history repeat itself
Time after time
I'm just a dreamer
I dream my life away
I'm just a dreamer
Who dreams of better days
I watch the sun go down like everyone of us
I'm hoping that the dawn will bring a sign
A better place for those who will come after us
This time

I'm just a dreamer - I dream my life away - Oh yeah
I'm just a dreamer - Who dreams of better days
Your higher power may be God or Jesus Christ
It doesn't really matter much to me
Without each other's help, there ain't no hope for us
I'm living in a dream, a fantasy
Oh yeah yeah yeah
If only we could all just find serenity
It would be nice if we could live as one
When will all this anger, hate and bigotry be gone?
I'm just a dreamer
I dream my life away - Today
I'm just a dreamer
Who dreams of better days - Oh yeah
I'm just a dreamer
Who's searching for the way
Today

I'm just a dreamer
Dreaming my life away
Oh yeah yeah yeah

Drive – The Cars

Who's gonna tell you when
It's too late?
Who's gonna tell you things
Aren't so great?

You can't go on, thinking
Nothing's wrong, oh no
Who's gonna drive you home
Tonight?

Who's gonna pick you up
When you fall?
Who's gonna hang it up
When you call?

Who's gonna pay attention
To your dreams?
Yeah who's gonna plug their ears
When you scream?

You can't go on, thinking
Nothing's wrong, oh no
Who's gonna drive you home
Tonight?

Who's gonna hold you down
When you shake?
Who's gonna come around
When you break?

You can't go on, thinking
Nothing's wrong, oh no
Who's gonna drive you home
Tonight?

Oh, you know you can't go on, thinking
Nothing's wrong
Who's gonna drive you home
Tonight?

Drive Home – Steven Wilson - Belinda

Cold windowpane
A car upturned in the rain
Wait on in vain
Don't try to bear the blame
Deal with the pain
Dust down your wings again

You need to clear away all the jetsam in your brain
And face the truth
Well love can make amends
While the darkness always ends
You're still alone
So drive home

A pause without end
A moment in time suspends
How could she leave?
Release all your guilt and grieve
Give up your pain
Hold up your head again

You need to clear away
All the jetsam in your brain
And face the truth
Well, love can make amends
While the darkness always ends
You're still alone
So drive home
Drive home, drive home
Drive home, drive home

Drive home, drive home
Drive home, drive home
Drive home

Earth Song – Michael Jackson

What about sunrise? What about rain?
What about all the things
That you said we were to gain?

What about killing fields? Is there a time?
What about all the things
That you said was yours and mine?

Did you ever stop to notice
All the blood we've shed before?
Did you ever stop to notice
This crying Earth, these weeping shores?

Ah-ah-ah-ah-ah Ooh-ooh-ooh-ooh-ooh
Ah-ah-ah-ah-ah Ooh-ooh-ooh-ooh-ooh

What have we done to the world?
Look what we've done
What about all the peace
That you pledge your only son?

What about flowering fields? Is there a time? What about all the dreams - That you said was yours and mine?

Did you ever stop to notice - All the children dead from war? Did you ever stop to notice
This crying Earth, these weeping shores?

Ah-ah-ah-ah-ah -Ooh-ooh-ooh-ooh-ooh - Ah-ah-ah-ah-ah -Ooh-ooh-ooh-ooh-ooh

I used to dream - I used to glance beyond the stars - Now I don't know where we are
Although I know we've drifted far

Ah-ah-ah-ah-ah - Ooh-ooh-ooh-ooh-ooh - Ah-ah-ah-ah-ah - Ooh-ooh-ooh-ooh-ooh

Hey, what about yesterday? (What about us?) What about the seas? (What about us?)
The heavens are falling down (What about us?) I can't even breathe (What about us?)

What about apathy? (What about us?) I need you (What about us?) What about nature's worth? (Ooh)
It's our planet's womb (What about us?)

What about animals? (What about it?) We've turned kingdoms to dust (What about us?) What about elephants?
(What about us?) Have we lost their trust (What about us?)

What about crying whales? (What about us?) We're ravaging the seas (What about us?)
What about forest trails?

(Ooh)

Burnt despite our pleas

(What about us?)

What about the holy land?

(What about it?)

Torn apart by creed

(What about us?)

What about the common man?

(What about us?)

Can't we set him free

(What about us?)

What about children dying?

(What about us?)

Can't you hear them cry?

(What about us?)

Where did we go wrong?

(Ooh)

Someone tell me why

(What about us?)

What about baby boy?

(What about it?)

What about the days?

(What about us?)

What about all their joy?

(What about us?)

What about the man?

(What about us?)

What about the crying man?

(What about us?)

What about Abraham?

(What about us?)

What about death again?

(Ooh)

Do we give a damn?

Ooh-ooh-ooh-ooh-ooh

Ah-ah-ah-ah-ah

Eternal Flame – The Bangles

Close your eyes, give me your hand, darling
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?
Is this burning an eternal flame?

I believe it's meant to be, darling
I watch you when you are sleeping
You belong with me
Do you feel the same? Am I only dreaming?
Or is this burning (burning) an eternal flame?

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Say my name
Sun shines through the rain
A whole life so lonely
And then come and ease the pain
I don't want to lose this feeling, oh

Close your eyes, give me your hand
Do you feel my heart beating?
Do you understand? Do you feel the same?
Am I only dreaming?

Every Breath You take – The Police

Every breath you take
And every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
And every word you say
Every game you play
Every night you stay
I'll be watching you

Oh, can't you see
You belong to me?
How my poor heart aches with every step
you take?

Every move you make
And every vow you break
Every smile you fake
Every claim you stake, I'll be watching you

Since you've gone, I've been lost without a trace
I dream at night, I can only see your face
I look around, but it's you I can't replace
I feel so cold, and I long for your embrace
I keep crying baby, baby, please
Oh, can't you see - You belong to me? How my poor heart aches with every step you take?
Every move you make - And every vow you break - Every smile you fake
Every claim you stake, I'll be watching you
Every move you make - Every step you take - I'll be watching you

I'll be watching you - (Every breath you take) (Every move you make) (Every bond you break)

(Every word you say) - (Every game you play)

Look into your heart
You will find
There's nothin' there to hide
Take me as I am - Take my life - I would give it all - I would sacrifice

Don't tell me it's not worth fightin' for - I can't help it there's nothin' I want more
You know it's true - Everything I do - I do it for you

There's no love - Like your love - And no other - Could give more love
There's nowhere - Unless you're there - All the time - All the way, yeah

Look into your heart, baby

Oh you can't tell me it's not worth tryin' for - I can't help it there's nothin' I want more
Yeah, I would fight for you - I lie for you - Walk the wire for you - Yeah, I'd die for you

You know it's true - Everything I do – Oh - I do it for you

Everything I do, darling - Yeah we'll see it through - Well we'll see it though, oh yeah - Yeah!
Search your heart and your soul - You can't tell me it ain't worth dyin' for - I'll be there
I'd walk the fire for you - I'd die for you - Oh, yeah

All the time
I'm going all the way, all the way

Eyes without a Face - BIGGI

Falling - JennyPenny

Falling slowly – Glen Hansard - Ninuschkaaa

I don't know you but I want you
All the more for that
Words fall through me and always fool me
And I can't react

And games that never amount
To more than they're meant
Will play themselves out

Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You've made it known

Falling slowly, eyes that know me
And I can't go back
The moods that take me and erase me
And I'm painted black

Well, you have suffered enough
And warred with yourself
It's time that you won

Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You've made it known

Falling slowly sing your melody
I'll sing along

I paid the cost too late
Now you're gone

Father and Son – Cat Stevens - tynaWhAT

It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know
Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy
I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on
But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not
How can I try to explain?
When I do he turns away again
It's always been the same, same old story
From the moment I could talk
I was ordered to listen
Now there's a way
And I know that I have to go away
I know I have to go
It's not time to make a change
Just relax, take it slowly
You're still young, that's your fault
There's so much you have to go through
Find a girl, settle down
If you want you can marry
Look at me, I am old, but I'm happy
All the times that I've cried
Keeping all the things I knew inside
It's hard, but it's harder to ignore it
If they were right I'd agree
But it's them they know, not me
Now there's a way

And I know that I have to go away
I know I have to go

Flashdance... What a Feeling – Irene Cara

First when there's nothing

But a slow glowing dream

That your fear seems to hide

Deep inside your mind

All alone I have cried

Silent tears full of pride

In a world made of steel

Made of stone

Well, I hear the music

Close my eyes

Feel the rhythm

Wrap around

Take a hold of my heart

What a feeling

Being's believing

I can have it all

Now I'm dancing for my life

Take your passion

And make it happen

Pictures come alive

You can dance right through your life

Now I hear the music

Close my eyes

I am rhythm - In a flash - It takes hold of my heart

What a feeling - Being's believing - I can have it all

Now I'm dancing for my life - Take your passion

And make it happen - Pictures come alive

You can dance right through your life

What a feeling - What a feeling (I am music now)

Being's believing (I am rhythm now) - Pictures come alive

Mitmachen

You can dance right through your life - What a feeling (I can really have it all)
What a feeling (pictures come alive when I call)
I can have it all (I can really have it all) - Have it all (pictures come alive when I call)

Freiheit – Marius Müller Westerhagen

Die Veträge sind gemacht
Und es wurde viel gelacht
Und was Süßes zum Dessert
Freiheit, Freiheit.

Die Kapelle, rum-ta-ta
Und der Papst war auch schon da
Und mein Nachbar vorneweg

Freiheit, Freiheit,
Ist die einzige, die fehlt.
Freiheit, Freiheit,
Ist die einzige, die fehlt.

Der Mensch ist leider nicht naiv.
Der Mensch ist leider primitiv.

Freiheit, Freiheit,
Wurde wieder abbestellt.

Alle, die von Freiheit träumen,
Sollen's Feiern nicht versäumen,
Sollen tanzen auch auf Gräbern.

Gracias a la Vida – Mercedes Sosa

von Violeta Parra, Chile (auch von Mercedes Sosa gesungen)

Gracias a la vida, que me ha dado tanto.
Me dio dos luceros, que cuando los abro,
Perfecto distingo lo negro del blanco,
Y en el alto cielo su fondo estrellado,
Y en las multitudes el hombre que yo amo.

Gracias a la vida, que me ha dado tanto.
Me ha dado el oído que, en todo su ancho,
Graba noche y día grillos y canarios
Martillos, turbinas, ladridos, chubascos,
Y la voz tan tierna de mi bien amado.

Gracias a la vida, que me ha dado tanto,
Me ha dado el sonido y el abecedario.
Con él las palabras que pienso y declaro,
"Madre," "amigo," "hermano," y los alumbrando
La ruta del alma del que estoy amando.

Gracias a la vida, que me ha dado tanto.
Me ha dado la marcha de mis pies cansados.
Con ellos anduve ciudades y charcos,
Playas y desiertos, montañas y llanos,
Y la casa tuya, tu calle y tu patio.

Gracias a la vida que me ha dado tanto
Me dio el corazón, que agita su marco.
Cuando miro el fruto del cerebro humano,
Cuando miro al bueno tan lejos del malo.

Cuando miro el fondo de tus ojos claros.

Gracias a la vida que me ha dado tanto.
Me ha dado la risa, y me ha dado el llanto.
Así yo distingo dicha de quebranto,
Los dos materiales que forman mi canto,
Y el canto de ustedes que es el mismo canto.
Y el canto de todos que es mi propio canto.
Gracias a la vida que me ha dado tanto.

Vorschlag für eine Übersetzung ins Deutsche:

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir zwei Augen, um deutlich zu trennen
das Weiße vom Schwarzen; die Welt zu erkennen,
den sternklaren Grund überm endlosen Himmel
und den, den ich liebe im Menschengewimmel.

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir zwei Ohren, die Welt zu erlauschen,
Gesang von Zikaden, des Regenguss' Rauschen,
Geräusch von Turbinen, vom Hämmern an Bauten,
die zärtliche Stimme des lange Vertrauten.

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir die Stimme, es gab mir die Laute,
so konnte ich rufen, den, dem ich vertraute:
die Mutter, den Freund und den Bruder zu finden,
den Weg zu der Seele des Liebsten ergründen.

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir zwei Füße, um sie zu benützen,
so laufe ich müde durch Städte und Pfützen,
auf Berge, durch Wüsten, so heiß ohnegleichen,
dein Haus, deine Strasse, um dich zu erreichen.

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir mein Herz, und das klopft zum Zerspringen,
will ich die Früchte des Geistes besingen,
seh ich wie weit ist das Gute vom Bösen,
seh ich deine Augen und kann mich nicht lösen.

Ich danke dem Leben, das mir so viel gegeben:
Es gab mir mein Lachen, es gab mir mein Weinen,
und lässt mich das Glück von dem Leid unterscheiden,
mein Lied ist aus diesen zwei Quellen entsprungen,

mein Lied für mich selber und für euch gesungen,
mein Lied für mich selber und für alle gesungen.

Gracias a la vida, gracias a la vida. Gracias a la vida.

Gravity – MarieeveM – sehr schön!

Greate Spirit – AvaPleiades

Gute Nacht Freunde - rurabel

Hallelujah – Leonard Cohen

Now, I've heard there was a secret chord
That David played, and it pleased the Lord
But you don't really care for music, do you?
It goes like this, the fourth, the fifth
The minor fall, the major lift
The baffled king composing Hallelujah
Hallelujah, Hallelujah Hallelujah

 Your faith was strong but you needed
 proof

 You saw her bathing on the roof
 Her beauty and the moonlight overthrew ya
 She tied you to a kitchen chair
 She broke your throne, and she cut your hair
 And from your lips she drew the Hallelujah
 Hallelujah, Hallelujah Hallelujah

 Now maybe there's a God above
 But all I ever learn from love

 Is how to shoot at someone who outdrew you
 But it's not a cry you hear at night
 It's not someone who sees the light

 It's a cold and and it's a broken Hallelujah Hallelujah, Hallelujah Hallelujah, Hallelujah Hallelujah, Hallelujah
 Hallelujah, Hallelujah

 Baby, I've been here before

 I've seen this room and I've walked this floor
 You know, I used to live alone before I knew you
 And I've seen your flag on the marble arch
 And Love is not a victory march
 It's a cold and it's a broken Hallelujah Hallelujah, Hallelujah Hallelujah,
 Well, there was a time when you let me know

What's really going on below
But now you never show that to me, do you?
But remember, when I moved in you
And the holy dove was moving too
And every breath, we drew was Hallelujah Hallelujah Hallelujah
I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool you
And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah Hallelujah, Hallelujah Hallelujah Hallelujah
Hallelujah Hallelujah

Heart of Gold – Neil Young

I wanna live, I wanna give
I've been a miner for a heart of gold
It's these expressions I never give

That keep me searching for a heart of gold
And I'm getting old
Keep me searching for a heart of gold
And I'm getting old

I've been to Hollywood, I've been to
Redwood
I crossed the ocean for a heart of gold
I've been in my mind, it's such a fine line

That keeps me searching for a heart of gold
And I'm getting old
Keeps me searching for a heart of gold
And I'm getting old

Keep me searching for a heart of gold
You keep me searching and I'm growing old
Keep me searching for a heart of gold
I've been a miner for a heart of gold

Heartattack in a Layby – Belinda

Heaven – Brian Adams - Pantagonia

Heile heile Gänschen – Ernst Neger

Refrain:

Heile, heile Gänsje, es ist bald wieder gut.
Kätzje hot e Schwänzje, ist bald wieder gut.
Heile, heile Mausespeck,
in hundert Jahr ist alles weg!

1. Bei all den Kleinen Kinderlein
gibt's manchen großen Schmerz.
Hat's Püppchen was am Fingerlein,
bricht Mutti fast das Herz.
Dann kommt die Mamma schnell herbei,
nimmt's Kindchen auf den Schoß
und sagt bedauernd: Ei, ei, ei,
was hat mein Kindchen bloß?
Bewegt sie es ans Herze zieht
und singet ihm zum Trost das Lied.

Refrain: Heile, heile Gänsje ...

2. Und ist das Kindchen größer dann,
erwacht im Herz die Lieb.
Es dreht sich alles um den Mann,
den bösen Herzensdieb.
Doch wenn das Herz in Flammen steht,
vor Liebe, Lust und Glück,
der Mann gar oft von dannen geht,
lässt weinend es zurück.
Dann singt die Mutter angst und bang das Lied,
das Lied das sie dem Kind einst sang.

Refrain: Heile, heile Gänsje ...

3. Das Leben ist kein Tanzlokal,
das Leben ist sehr ernst.
Es bringt so manche Herzensqual,
wenn du es kennen lernst.
Doch brich' nicht unter seiner Last,
sonst wärest du ein Tor.

Und trag' was du zu tragen hast,
geduldig mit Humor.
Und denk' dein ganzes Leben lang,
ans Lied das dir die Mutter sang.

Refrain: Heile, heile Gänsje ...

Hello – Lionel Richie

I've been alone with you inside my mind
And in my dreams
I've kissed your lips a thousand times
I sometimes see you pass outside my door
Hello
Is it me you're looking for?
I can see it in your eyes
I can see it in your smile
You're all I've ever wanted
And my arms are open wide
'Cause you know just what to say
And you know just what to do
And I want to tell you so much
I love you
I long to see the sunlight in your hair
And tell you time and time again how much
I care
Sometimes I feel my heart will overflow

Hello
I've just got to let you know
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely?
Or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying
I love you
Hello
Is it me you're looking for?
'Cause I wonder where you are
And I wonder what you do
Are you somewhere feeling lonely?

Or is someone loving you?
Tell me how to win your heart
For I haven't got a clue
But let me start by saying
I love you

Holding back the Years – Simply Red

Holding back the years
Thinking of the fear I've had so long
When somebody hears
Listen to the fear that's gone

Strangled by the wishes of pater
Hoping for the arms of mater
Get to neither sooner or later
Holding back the years
Chance for me to escape from all I know
Holding back the tears
'Cause nothing here has grown

I've wasted all my tears
Wasted all those years
Nothing had the chance to be good
Nothing ever could, yeah

I'll keep holding on I'll keep holding on
I'll keep holding on I'll keep holding on
So tired

Well, I've wasted all my tears
Wasted all those years
And nothing had the chance to be good
'Cause nothing ever could, oh yeah Oh

I'll keep holding on I'll keep holding on
I'll keep holding on I'll keep holding on
Holdin', holdin', holdin', holdin' all my life

I said, "Ooh, yeah"
That's all I have today
It's all I have to say
That's all I have today
It's all I have to say

Hotel California – The Eagles

On a dark, desert highway - Cool wind, in my hair
Warm smell of colitis - Risin' up through the air

Up ahead, in the distance - I saw a shimmering light
My head grew heavy, and my sight grew dim
I had to stop for the night

There she stood, in the doorway - I heard the mission bell
And, I was thinkin' to myself - "This could be Heaven, or this could be Hell

Then she lit up a candle - And she showed me the way
There were voices down the corridor - I thought I heard them say

Welcome to the Hotel California - Such a lovely place - Such a lovely place - Such a lovely face

Plenty of room at the Hotel California - Any time of year - Any time of year - You can find it here

Her mind is Tiffany-twisted - She got the Mercedes benz - She got a lot of pretty, pretty boys she calls friends

How they dance in the courtyard - Sweet, summer sweat - Some dance to remember - Some dance to forget

So, I called up the Captain - "Please bring me my wine" - He said, "We haven't had that spirit here, since 1969"

And still those voices are callin' from far away - Wake you up in the middle of the night - Just to hear them say

Welcome to the Hotel California - Such a lovely place - Such a lovely place - Such a lovely face

They're livin' it, up at the Hotel California - What a nice surprise - What a nice surprise - Bring your alibis

Mirrors on the ceiling - The pink champagne on ice - And she said, "We are all just prisoners, here, of our own device"

And in the master's chambers - They gathered for the feast - They stab it with their steely knives - But, they just

I just called to say I love you –

Stevie Wonder

No New Year's Day to celebrate
No chocolate covered candy hearts to give away
No first of Spring, no song to sing
In fact, here's just another ordinary day

No April rain, no flowers bloom
No wedding Saturday within the month of June
But what it is, is something true
Made up of these three words that I must say to you

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high, no warm July
No harvest moon to light one tender August night
No autumn breeze, no falling leaves
Not even time for birds to fly to southern skies

No Libra sun, no Halloween - No giving thanks to all the Christmas joy you bring
But what it is, though old, so new - To fill your heart like no three words could ever do

I just called to say I love you - I just called to say how much I care, I do
I just called to say I love you - And I mean it from the bottom of my heart

I just called to say I love you - I just called to say how much I care, I do
I just called to say I love you - And I mean it from the bottom of my heart

No New Year's Day to celebrate - No chocolate covered candy hearts to give away
But what it is, is something true - Made up of these three words that I must say to you

I just called to say I love you - I just called to say how much I care
I just called to say I love you - And I mean it from the bottom of my heart

It's not true
Tell me I've been lied to
Crying isn't like you
Ooh-ooh-ooh
What the hell did I do?
Never been the type to
Let someone see right through
Ooh-ooh-ooh

Maybe won't you take it back
Say you were tryna make me laugh
And nothing has to change today
You didn't mean to say "I love you"
I love you and I don't want to
Ooh-ooh-ooh

Up all night on another red eye
I wish we never learned to fly
I-I-I
Maybe we should just try
To tell ourselves a good lie
I didn't mean to make you cry
I-I-I

Maybe won't you take it back
Say you were tryna make me laugh
And nothing has to change today
You didn't mean to say "I love you"

I love you and I don't want to
Ooh-ooh-ooh

The smile that you gave me
Even when you felt like dying

We fall apart as it gets dark
I'm in your arms in Central Park
There's nothing you could do or say
I can't escape the way, I love you
I don't want to, but I love you

That you've probably been cryin' forever
And the stars in the sky
Don't mean nothin' to you, they're a mirror
I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here, won't you listen to my heart?
Oh, whoa, heart
If I stand all alone
Will the shadow hide the color of my heart?
Blue for the tears, black for the night's
Fears the stars in the sky
Don't mean nothin' to you, they're a mirror
I don't wanna talk about it

Between right and wrong
ain't gonna do nothing
break up our happy home
Don't get so excited
When I come home

'Cos we only act like children
When we argue fuss and fight

If you don't know me by now
You will never, never never know me

We've all got our
Own funny moods
I've got mine
Woman you've got yours too
Just trust in me like I trust in you
As long as we've been together
It should be so easy to do
Just get yourself together
Or we might as well say goodbye
What good is a love affair
When you can't see eye to eye
If you don't know me by now

I'll never get over you - ACEKris

Imagine – John Lennon

Imagine there's no Heaven
It's easy if you try
No Hell below us
Above us only sky
Imagine all the people livin' for today
Ah, ah, ah-ah
Imagine there's no countries
It isn't hard to do
Nothin' to kill or die for
And no religion, too
Imagine all the people livin' life in peace
Yoo, hoo, oo-oo
You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
And the world will be one
Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharin' all the world
Yoo, hoo, oo-oo
You may say I'm a dreamer
But I'm not the only one
I hope some day you'll join us
And the world will live as one

Killing Me Softly With His Songs – The Fugees, Roberta Flack

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly
With his song

I heard he sang a good song
I heard he had a style
And so I came to see him, to listen for a while
And there he was, this young boy
A stranger to my eyes

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly
With his song

I felt all flushed with fever
Embarrassed by the crowd
I felt he found my letters and read each one out loud
I prayed that he would finish
But he just kept right on

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly
With his song

He sang as if he knew me
In all my dark despair
And then he looked right through me as if I wasn't there
And he just kept on singing
Singing clear and strong

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly
With his song

Strumming my pain with his fingers
Singing my life with his words
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me

He was strumming my pain
Yeah, he was singing my life
Killing me softly with his song
Killing me softly with his song
Telling my whole life with his words
Killing me softly with his song

Lady Marlene – Katzenjammer

Velvet and satin and puppets on strings
Everyone's dancing with Lady Marlene
Fear is the color of all that they wear
Mother of pearl palace cold like her heart of stone

Silently soliders dance to they fall
Phantoms of love seductive and cold
They are draped in dread in her masquerade
Lady Marlene takes your hand and commands the...

(North)Wind to blow ghosts to the sky above
Deep in despair they cry where is the love?
The north wind blows ghosts to the sky above
Deep in despair they cry where is the love?

Murk is her grip on the world
Calamity rules when her flag is unfurled
Turn your backs on Marlene and let there be love
But pallid and pale you all fall asleep as the.

Lass uns leben – Marius Müller-Westernhagen

Reden wieder 'mal vom Krieg
Träumen wieder 'mal vom Sieg
Schwärm'en von vergang'ner Zeit
Was soll's
Ich lebe

Rock and roll steht wieder mal
Wir sind wieder hart wie Stahl
Die Familie ist gesund
Was soll's
Ich lebe

Ja ich lebe und ich lebe immer mehr
Was soll's ich lebe ja
Ich lebe
Das Leben ist gar nicht so schwer

Und jetzt hab ich dich getroffen
Du bist drin in meinem Kopf
Ich hab' mich heut' nacht besoffen
Weil ich dich liebe

Weil ich dich liebe
Weil ich dich liebe

Weil ich dich liebe immer mehr
Weil ich dich liebe
Weil ich dich liebe

Zu lieben ist gar nicht so schwer

Bitte sei doch nicht gekränkt
Dass ich mir nicht mein Hirn verrenk
Was nun morgen wird aus uns
Komm lass uns leben
Lass uns leben
Lass uns leben immer mehr
Komm lass uns leben

Komm lass uns lieben

Let It Be – The Beatles

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be

And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

Let it be, let it be
A-let it be, let it be
Whisper words of wisdom
Let it be

And when the broken-hearted people
Living in the world agree
There will be an answer
Let it be

For though they may be parted
There is still a chance that they will see
There will be an answer Let it be

Let it be, let it be A-let it be, let it be Yeah, there will be an answer Let it be

Let it be, let it be A-let it be, let it be Whisper words of wisdom Let it be

Let it be, let it be A-let it be, yeah, let it be Whisper words of wisdom Let it be

And when the night is cloudy There is still a light that shines on me Shine until tomorrow

Let it be-e

Mad World – Tears for Fears

All around me are familiar faces
Worn out places, worn out faces
Bright and early for the daily races
Going nowhere, going nowhere
The tears are filling up their glasses
No expression, no expression
Hide my head, I wanna drown my sorrow
No tomorrow, no tomorrow
And I find it kind of funny, I find it kind of sad
The dreams in which I'm dying are the best I've ever
had
I find it hard to tell you, I find it hard to take
When people run in circles it's a very, very
Mad world, mad world

Children waiting for the day they feel good
Happy birthday, happy birthday
And I feel the way that every child should
Sit and listen, sit and listen
Went to school and I was very nervous
Noone knew me, noone knew me
Hello teacher tell me what's my lesson
Look right through me, look right through me
And I find it kind of funny, I find it kind of sad
The dreams in which I'm dying are the best I've ever
had
I find it hard to tell you, I find it hard to take
When people run in circles it's a very, very
Mad world, mad world
Enlarging your own world
Mad world

to be feared or hungry.

I HAVE A DREAM - that all the rich people of the world
wouldn't try to get more and more - so that the most of the other people
get poor, more and more.

I HAVE A DREAM - that all that people who earn the money
with such destructive things like - firearms, tanks and rockets and other
shit warstuff would understand - one day - what a shit they produce whole over the world.

I HAVE A DREAM - that one day everyone cares for everyone

Music – John Miles

Music was my first love
And it will be my last
Music of the future
And music of the past

To live without my music
Would be impossible to do
In this world of troubles
My music pulls me through

Music was my first love
And it will be my last
Music of the future
And music of the past
And music of the past
And music of the past

My Heart will go on – Celine Dion

Every night in my dreams
I see you, I feel you
That is how I know you go on
Far across the distance and spaces between
us
You have come to show you go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

Love can touch us one time
And last for a lifetime
And never let go 'til we're gone
Love was when I loved you
One true time I hold to
In my life we'll always go on

Near, far, wherever you are
I believe that the heart does go on
Once more you open the door
And you're here in my heart
And my heart will go on and on

You're here, there's nothing I fear
And I know that my heart will go on
We'll stay forever this way
You are safe in my heart
And my heart will go on and on

My Way – Frank Sinatra

And now, the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain
I've lived a life that's full I traveled each and every
highway
And more, much more than this, I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption
I planned each charted course
Each careful step along the byway
And more, much more than this,
I did it my way

Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up and spit it out
I faced it all and I stood tall and did it my way

I've loved, I've laughed and cried
I've had my fill, my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
Oh, no, oh, no, not me, I did it my way

For what is a man, what has he got?
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows
And did it my way Yes, it was my way

Nights in white Satin – Moody Blues

Nights in white satin
Never reaching the end
Letters I've written
Never meaning to send
Beauty I'd always missed
With these eyes before
what the truth is
can't say anymore
'Cause I love you
I love you
how I love you
Gazing at people
Some hand in hand
what I'm going through
They can't understand
Some try to tell me
Thoughts they cannot defend
Just what you want to be
You will be in the end

And I love you - Yes I love you
Oh, how I love you - Oh, how I love you

Nights in white satin
Never reaching the end
Letters I've written
Never meaning to send
Beauty I'd always missed
With these eyes before
Just what the truth is
I can't say anymore

Yes I love you - Yes I love you
Oh, how I love you - Oh, how I love you
Yes I love you
Yes I love you
Oh, how I love you
Oh, how I love you

Nothing compares 2 You – Sinnead O Connor

It's been seven hours and 15 days
Since you took your love away
I go out every night and sleep all day
Since you took your love away
Since you been gone, I can do whatever I want
I can see whomever I choose

I can eat my dinner in a fancy restaurant
But nothing
I said nothing can take away these blues
'Cause nothing compares
Nothing compares to you

It's been so lonely without you here
Like a bird without a song
Nothing can stop these lonely tears from falling
Tell me baby, where did I go wrong?
I could put my arms around every boy I see
But they'd only remind me of you

I went to the doctor, guess what he told me
Guess what he told me
He said, "Girl you better try to have fun, no matter what you do"
But he's a fool

'Cause nothing compares, nothing compares to you

All the flowers that you planted mama
In the back yard
All died when you went away
I know that living with you baby was sometimes hard
But I'm willing to give it another try

Nothing compares
Nothing compares to you

Oceans apart – Whatever You do – Richard Marx

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain
If I see you next to never
How can we say forever
Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you
I took for granted, all the times
That I thought would last somehow
I hear the laughter, I taste the tears
But I can't get near you now
Oh, can't you see it baby
You've got me goin' crazy
Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you
I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance
Oh can't you see it baby
You've got me goin' crazy
Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you
Waiting for you

Who can say where the road goes?

Where the day flows?

Only time

And who can say if your love grows

As your heart chose?

Only time

Who can say why your heart sighs

As your love flies?

Only time

And who can say why your heart cries?

When your love lies?

Only time

Who can say when the roads meet

That love might be in your heart?

And who can say when the day sleeps

If the night keeps all your heart?

Night keeps all your heart

Only You – Yaz - heiditunes

Looking from a window above

It's like a story of love

Can you hear me?

Came back only yesterday

I'm moving farther away

Want you near me

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

Sometimes, when I think of her name

When it's only a game

And I need you

Listen to the words that you say

It's getting harder to stay

When I see you

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

All I needed was the love you gave

All I needed for another day

And all I ever knew

Only you

This is gonna take a long time

And I wonder what's mine

Can't take no more (can't take no more)

Wonder if you'll understand

It's just the touch of your hand

Behind a closed door

All I needed was the love you gave

All I needed for another day

And all I ever knew (all I ever knew)

Only you

Open Arms – Journey

Lying beside you - Here in the dark
Feeling your heartbeat with mine
Softly you whisper - You're so sincere
How could our love be so blind?

We sailed on together - We drifted apart
And here you are - By my side

So now I come to you - With open arms
Nothing to hide - Believe what I say
So here I am - With open arms
Hoping you'll see - What your love means to me
Open arms

Living without you - Living alone - This empty house seems so cold
Wanting to hold you - Wanting you near - How much I wanted you home
But now that you've come back - Turned night into day - I need you to stay

So now I come to you - With open arms - Nothing to hide
Believe what I say - So here I am - With open arms

Hoping you'll see
What your love means to me
Open arms

Pink Floyd: Brain Damage Eclipse

Pink Floyd: Comfortably Numb

Pink Floyd: Echoes

Pink Floyd: Have a Cigar

Pink Floyd: Shine on you crazy Diamond

Remember when you were young, you shone like the sun

Shine on you crazy diamond

Now there's a look in your eyes, like black holes in the sky

Shine on you crazy diamond

You were caught in the cross fire of childhood and stardom

Blown on the steel breeze

Come on you target for faraway laughter

Come on you stranger, you legend, you martyr, and shine!

You reached for the secret too soon, you cried for the moon

Shine on you crazy diamond

Threatened by shadows at night, and exposed in the light

Shine on you crazy diamond

Well you wore out your welcome with random precision

Rode on the steel breeze

Come on you raver, you seer of visions

Come on you painter, you piper, you prisoner, and shine!

Nobody knows where you are, how near or how far.

Shine on you crazy diamond.

Pile on many more layers and I'll be joining you there.

Shine on you crazy diamond.

And we'll bask in the shadow of yesterday's triumph,

Sail on the steel breeze.

Come on you boy child, you winner and loser,

Come on you miner for truth and delusion, and shine

Pink Floyd – Time

Ticking away the moments that make up a dull day
You fritter and waste the hours in an offhand way
Kicking around on a piece of ground in your hometown
Waiting for someone or something to show you the way

Tired of lying in the sunshine
Staying home to watch the rain
And you are young and life is long
And there is time to kill today

And then one day you find
Ten years have got behind you
No one told you when to run
You missed the starting gun

And you run, and you run to catch up with the sun
But it's sinking
Racing around to come up behind you again
The sun is the same in a relative way
But you're older
Shorter of breath, and one day closer to death

Every year is getting shorter
Never seem to find the time
Plans that either come to naught
Or half a page of scribbled lines

Hanging on in quiet desperation
Is the English way
The time is gone, the song is over
Thought I'd something more to say

Home, home again
I like to be here when I can
When I come home cold and tired
It's good to warm my bones beside the fire

Far away, across the field
The tolling of the iron bell
Calls the faithful to their knees
To hear the softly spoken magic spells

Pink Floyd – Us and Them

Us and them
And after all, we're only ordinary men
Me and you
God only knows, it's not what we would
choose to do

Forward he cried from the rear
And the front rank died
The General sat, and the lines on the map
Moved from side to side

Black and blue
And who knows which is which and who
is who
Up and down
And in the end, it's only round and round
and round

Haven't you heard it's a battle of words
The poster bearer cried
Listen son, said the man with the gun
There's room for you inside

(They're maybe gonna kill ya.
So like, if you give 'em a quick, short, sharp, shock, they don't do it again.
Dig it? I mean he get off light, come to think.
Of rationalising it, once.
It's only a difference, but why go and ruin it?
I mean good manners don't cost nothing, do they, eh?)

Down and out
It can't be helped, but there's a lot of it about
With, without
And who'll deny it's what the fighting's all about

Out of the way, it's a busy day
I've got things on my mind
For want of the price of tea and a slice
The old man died

Pink Floyd – Wish You were here

So, so you think you can tell
Heaven from Hell
Blue skies from pain
Can you tell a green field
From a cold steel rail?
A smile from a veil?
Do you think you can tell?

Did they get you to trade
Your heroes for ghosts?
Hot ashes for trees?
Hot air for a cool breeze?

Cold comfort for change?
Did you exchange
A walk on part in the war
For a lead role in a cage?

How I wish, how I wish you were here
We're just two lost souls
Swimming in a fish bowl
Year after year

Running over the same old ground
What have we found?
The same old fears
Wish you were here

Riders on the Storm – The Doors

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown
Like a dog without a bone, an actor out on loan
Riders on the storm

There's a killer on the road
His brain is squirming like a toad
Take a long holiday
Let your children play
If you give this man a ride, sweet family will die
Killer on the road, yeah

Girl, you gotta love your man
Girl, you gotta love your man
Take him by the hand
Make him understand
The world on you depends or life will never end
Gotta love your man, yeah

Riders on the storm
Riders on the storm
Into this house we're born
Into this world we're thrown

Sailing – Rod Stewart

I am sailing, I am sailing
Home again 'cross the sea
I am sailing, stormy waters
To be near you, to be free

I am flying, I am flying
Like a bird 'cross the sky
I am flying, passing high clouds
To be near you, to be free

Can you hear me, can you hear me
Through the dark night, far away?
I am dying, forever crying
To be with you, who can say

Can you hear me, can you hear me
Through the dark night far away?
I am dying, forever crying
To be with you, who can say

We are sailing, we are sailing
Home again 'cross the sea
We are sailing stormy waters
To be near you, to be free

Oh Lord, to be near you, to be free
Oh my Lord, to be near you, to be free
Oh my Lord, to be near you, to be free
Oh Lord

Scarborough Fair – Trad. – Sarah Brightman

Are you going to Scarborough Fair?
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She once was a true love of mine

Tell her to make me a cambric shirt (deep forest green)
Parsely, sage, rosemary and thyme
(Tracing a sparrow on snow-crested ground)
Without no seams nor needlework
(Blankets and bedclothes a child of the mountains)
Then she'll be a true love of mine
(Sleeps unaware of the clarion call)

Scarborough Fair
B_I_G_G_I+
ralphbayer1

Tell her to find me an acre of land
(On the side of a hill, a sprinkling of leaves)
Parsely, sage, rosemary, and thyme
(Washed is the ground with so many tears)
Between the salt water and the sea strand
(A soldier cleans and polishes a gun)
Then she'll be a true love of mine

Tell her to reap it in a sickle of leather
(Blazing in scarlet battalions)
Parsely, sage, rosemary and thyme
(Generals order their soldiers to kill)
And to gather it all in a bunch of heather
(And to fight for a cause they've long ago forgotten)
Then she'll be a true love of mine

Are you going to Scarborough Fair?
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She once was a true love of mine

Shallow – Bradley Cooper

Tell me something, girl
Are you happy in this modern world?
Or do you need more?
Is there something else you're searchin'
for?
I'm falling
In all the good times, I find myself longin'
for change
And in the bad times, I fear myself
Tell me something, boy
Aren't you tired trying to fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?
I'm falling
In all the good times, I find myself longing
for change
And in the bad times, I fear myself

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now
In the sha-ha, sha-ha-llow
In the sha-ha-sha-la-la-la-llow
In the sha-ha, sha-ha-llow
We're far from the shallow now
Oh, ha-ah-ah
Ah, ha-ah-ah, oh, ah
Ha-ah-ah-ah
I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now
In the sha-ha, sha-ha-llow

Sign of the Times – Harry Styles

Just stop your cryin', it's a sign of the times
Welcome to the final show
Hope you're wearin' your best clothes
You can't bribe the door on your way to the sky
You look pretty good down here
But you ain't really good

We never learn, we've been here before
Why are we always stuck and running from
The bullets? The bullets?
We never learn, we've been here before
Why are we always stuck and running from
Your bullets? The bullets?

Just stop your crying, it's a sign of the times
We gotta get away from here - We gotta get away from here - Just stop your crying, it'll be alright
They told me that the end is near - We gotta get away from here

Just stop your crying, have the time of your life - Breaking through the atmosphere
And things are pretty good from here - Remember everything will be alright
We can meet again somewhere - Somewhere far away from here

We never learn, we've been here before - Why are we always stuck and running from
The bullets? The bullets? - We never learn, we've been here before
Why are we always stuck and running from - The bullets? The bullets?

Just stop your crying, it's a sign of the times - We gotta get away from here
We gotta get away from here - Stop your crying, baby, it will be alright
They told me that the end is near - We gotta get away from here
We never learn, we've been here before - Why are we always stuck and running from

The bullets? The bullets?

We never learn, we've been here before - Why are we always stuck and running from
The bullets? Your bullets?

We don't talk enough, we should open up - Before it's all too much
Will we ever learn? We've been here before - It's just what we know

Stop your crying, baby, it's a sign of the times - We gotta get away, we got to get away
We got to get away, we got to get away - We got to get away - We got to, we got to, away
We got to, we got to, away - We got to, we got to, away

Simply the Best – Tina Turner

I'll call you if I need you

My heart's on fire

You come to me, come to me wild and wired

Oh you come to me

Give me everything I need

Give me a lifetime of promises and a world of
dreams

Speak the language of love like you know what it
means

Oh and you can't be wrong

Take my heart and make it strong baby

You're simply the best - Better than all the rest

Better than anyone - Anyone I ever met

I'm stuck on your heart

I hang on every word you say

Tear us apart

Baby I would rather be dead

In your heart I see the stars every night and
everyday

In your eyes I get lost, I get washed away

Just as long as you're here in my arms I could be in
no other place

You're simply the best - Better than all the rest - Better than anyone - Anyone I ever met

I'm stuck on your heart, baby - I hang on every word you say - Oh, tear us apart, no - Baby I would rather be dead

Each time you leave me I start losing control - You're walking away with my heart and my soul
I could feel you even when I'm alone - Oh baby, never go

You're the best - Better than all the rest - Better than anyone - Anyone I ever met
I'm stuck on your heart, baby - I hang on every word you say
Oh tear us apart, no no - Baby I would rather be dead - Oh, you're the best

You're the best, yeah - Better than all the rest - Better than anyone - Anyone I ever met
I'm stuck on your heart, baby - I hang on every word you say - Tear us apart, no no - Baby I would rather be dead
Oh, you're the best

Smile – Charlie Chaplin

Smile
Tho' your heart is aching

Smile
Even tho' it's breaking

When there are clouds in the sky
You'll get by
If you
Smile through your fear and sorrow

Smile and maybe tomorrow
You'll see the sun come shining thru for
you.
Light up your face with gladness
Hide ev'ry trace of sadness
Altho' a tear maybe ever so near

That's the time you must keep on trying

Smile - What's the use of crying
You'll find that life is stillworth while
If you'll just

Used to be so easy
To give my heart away
But I found out the hard way
There's a price you have to pay

I found out that love
Was no friend of mine
I should have known
Time after time

So long
It was so long ago
But I've still got the blues
For you

Used to be so easy
To fall in love again
But I found out the hard way
It's a road that leads to pain

I found that love
Was more than just a game

You're playin' to win
But you lose just the same

So long - It was so long ago
But I've still got the blues - For you

So many years
Since I've seen your face
Here in my heart
There's an empty space
Where you used to be
So long - It was so long ago
But I've still got the blues - For you
Though the days come and go
There is one thing I know

Summertime – George Gershwin

Summertime and the living is easy
Fish are jumping and the cotton is high
Oh, your daddy's rich and your ma is good-looking
So hush, little baby, don't you cry

One of these mornings you're gonna rise up
singing
Yes, you'll spread your wings and you'll take to the
sky
But 'til that morning, there's nothing can harm you
Yes, with daddy and mammy standing by

Summertime and the living is easy
Fish are jumping and the cotton is high
Oh, your daddy's rich (daddy's rich)
And your ma is good-looking (your ma is good-looking)
So hush, little baby, baby, don't you cry (oh, don't you cry)

Tears In Heaven – Eric Clapton - Mirabella

Would you know my name if I saw you in heaven?
Would it be the same if I saw you in heaven?
I must be strong and carry on
'Cause I know I don't belong
Here in heaven

Would you hold my hand if I saw you in heaven?
Would you help me stand if I saw you in heaven?
I'll find my way through night and day
'Cause I know I just can't stay
Here in heaven

Time can bring you down, time can bend your knees
Time can break your heart, have you begging please
Begging please

Beyond the door, there's peace, I'm sure
And I know there'll be no more
Tears in heaven

Would you know my name if I saw you in heaven?
Would you feel the same if I saw you in heaven?
I must be strong and carry on
Because I know I don't belong

The Power of Love – Jennifer Rush

The whispers in the morning
Of lovers sleeping tight
Are rolling by like thunder now
As I look in your eyes

I hold on to your body
And feel each move you make
Your voice is warm and tender
A love that I could not forsake

'Cause I am your lady
And you are my man
Whenever you reach for me
I'll do all that I can

Even though there may be times
It seems I'm far away
But never wonder where I am
'Cause I am always by your side

'Cause I am your lady - And you are my man
Whenever you reach for me - I'll do all that I can
We're heading for something - Somewhere I've never been
Sometimes I am frightened - But I'm ready to learn 'bout the power of love

The sound of your heart beating
Made it clear suddenly
The feeling that I can't go on
Is light-years away

'Cause I am your lady
And you are my man
Whenever you reach for me
I'm gonna do all that I can
We're heading for something
Somewhere I've never been
Sometimes I am frightened
But I'm ready to learn 'bout the power of love

Ooh, the power of love

The Rose – Bette Midler

Some say love, it is a river
That drowns the tender reed
Some say love, it is a razor
That leaves your soul to bleed
Some say love, it is a hunger
An endless aching need
I say love, it is a flower
And you, its only seed

It's the heart, afraid of breaking
That never learns to dance
It's the dream, afraid of waking
That never takes the chance
It's the one who won't be taken
Who cannot seem to give
And the soul, afraid of dying

That never learns to live

When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong
Just remember in the winter
Far beneath the bitter snows
Lies the seed that with the sun's love
In the spring becomes the rose

The Sound Of Silence – Simon and Garfunkel

Hello, darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence
 In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a streetlamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a
neon light
That split the night
And touched the sound of silence
 And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
No one dared
Disturb the sound of silence
 "Fools," said I, "You do not know
Silence like a cancer grows
Hear my words that I might teach you
Take my arms that I might reach you."
But my words like silent raindrops fell
And echoed in the wells of silence
 And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets
Are written on the subway walls
And tenement halls
And whispered in the sounds of silence."

Till Your Home - Jenny Penny

Time after Time – Cindy Lauper

Lying in my bed, I hear the clock tick and think of you
Caught up in circles Confusion is nothing new
Flashback, warm nights Almost left behind
Suitcase of memories
Time after
Sometimes you picture me I'm walking too far ahead
You're calling to me, I can't hear What you've said
Then you say, "go slow" And I fall behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall, I will catch you, I'll be waiting
Time after time
If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I will be waiting
Time after time
After my picture fades and darkness has Turned to gray
Watching through windows You're wondering if I'm okay
Secrets stolen from deep inside (deep inside)
And the drum beats out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you, I'll be waiting
Time after time
If you're lost, you can look and you will find me
Time after time
If you fall, I will catch you, I will be waiting
Time after time Time after time
I've got a suitcase of memories that I almost left behind
Time after time Time, time, time
But you say to go slow but I fall behind
Time after time after time (after time, oh)

Weil ich dich liebe –

M.M.Westernhagen

Die Wüste war heiß
Die Berge waren hoch
Das Wasser war tief
Und ich fand dich doch

Ich habe dir geschworen
Dass du mir nicht entkommst
Du bist für mich geboren
Ich lebe nicht umsonst

Bin kein Rockefeller
Und bin auch kein Beau
Ich kann auch nicht treu sein
Ich lüg' sowieso

Ich habe dir geschworen

Bei dir wird's anders sein
Du bist für mich geboren
Bist meine Ewigkeit

Weil ich dich liebe - Noch immer und mehr - Weil ich dich brauche - Ich brauch' dich so sehr

Ich habe Sehnsucht - Ich verzehr' mich nach dir - Verzeih mir! - Bleib bei mir!

Nimm mich in die Arme - Schau mir ins Gesicht - Versuch mir zu sagen - Ich liebe dich nicht

Es wird dir nicht gelingen! - Der Preis wäre zu hoch! Du bist für mich geboren - Du wirst mich nie mehr los!

Weil ich dich liebe - Noch immer und mehr - Weil ich dich brauche - Ja ich brauch' dich so sehr

Ich habe Sehnsucht - Ich verzehr' mich nach dir - Verzeih mir! - Bleib bei mir!

What A Wonderful World – Luis Armstrong

I see trees of green
Red roses too
I see them bloom
For me and you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands
Saying, "How do you do?"
They're really saying
"I love you"

I hear babies cry
I watch them grow
They'll learn much more
Than I'll never know
And I think to myself
What a wonderful world

Yes, I think to myself
What a wonderful world
Oh yeah

When I need You – Leo Sayer

When I need you

I just close my eyes and I'm with you

And all that I so wanna give you

It's only a heartbeat away

When I need love

I hold out my hands and I touch love

I never knew there was so much love

Keeping me warm night and day

Miles and miles of empty space in between us

The telephone can't take the place of your smile

But you know I won't be travelling forever

It's cold out but hold out and do like I do

When I need you

I just close my eyes and I'm with you

And all that I so wanna give you babe

It's only a heartbeat away

It's not easy when the road is your driver

Honey that's a heavy load that we bare

But you know I won't be travelling a lifetime

It's cold out but hold out and do like I do

Oh I need you

When I need love

I hold out my hands and I touch love

I never knew there was so much love

Keeping me warm night and day

When I need you

I just close my eyes and you're right here by my side

Keeping me warm night and day

I just hold out my hands, I just hold out my hand

And I'm with you darlin'

Yes I'm with you darlin'

All I wanna give you

Is only a heartbeat away

Ich find Dich wunderschön - Zu schön um zu versteh'n
Dass alles mal vergeht - In meinen Träumen

Ich bin wieder hier - In meinem Revier

Wieder zuhause zu sein

Und Dich verleumdet hab - In meinen Träumen

Wenn Du vergessen kannst
Alles vergessen kannst
Dann schenk mir diesen Tanz
Ich will nichts versäumen

Wonderful Tonight – Eric Clapton

It's late in the evening
She's wondering what clothes to wear
She puts on her makeup
And brushes her long blonde hair

And then she asks me
"Do I look all right?"
And I say, "Yes, you look wonderful tonight"

We go to a party
And every one turns to see
This beautiful lady
Who's walking around with me

And then she asks me
"Do you feel all right?"
And I say, "Yes, I feel wonderful tonight"

I feel wonderful because I see the love light in your eyes
Then the wonder of it all is that you just don't realize
How much I love you
It's time to go home now

And I've got an aching head
So I give her the car keys
And she helps me to bed

And then I tell her
As I turn out the light
I say, "My darling you were wonderful tonight"
"Oh, my darling, you were wonderful tonight"

Yesterday – The Beatles

Yesterday, all my troubles seemed so far away
Now it looks as though they're here to stay
Oh, I believe in yesterday

Suddenly, I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

Yesterday, love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Why she had to go

I don't know, she wouldn't say

I said something wrong

Now I long for yesterday

About The Songs

Summertime

This catchy tune was originally a lullaby from George Gershwin's opera "Porgy and Bess"; it went on to become one of the best-known jazz classics. The song has been recorded in well over 10,000 different versions, making it one of the most often 'covered' songs in musical history.

Moon River

...is indisputably one of the most beautiful love songs in film history.

This song won the Oscar for the best song written for a film in 1962, when it featured as a love song in the film "Breakfast At Tiffany's".

Audrey Hepburn sang the song in the film, but there have been many fine versions by other singers such as Paul Anka, Louis Armstrong, Barbara Streisand, Frank Sinatra and many more...

Wade In The Water

As one of the best-known American spirituals this song belongs to the standard repertoire of every gospel choir, though it has also been sung by many well-known jazz, soul and pop musicians.

Some of the most popular versions are by Ramsey Lewis, the Golden Gate Quartet, the Harlem Gospel Singers and more recently the singer Eva Cassidy.

My Way

Paul Anka wrote the English lyrics to the French chanson "Comme d'habitude" by Claude François and Jacques Revaux. Paul Anka himself said that he wrote the words for Frank Sinatra, who went on to have a worldwide hit with this lovely song. The lyrics tell of a man who has travelled the world in his lifetime and finally looks back over it all.

Have fun with these "Jazz Ballads"!

Über die Songs

Summertime

Dieser Ohrwurm ist ursprünglich ein Wiegenlied aus der Oper „Porgy and Bess“ von George Gershwin und hat sich inzwischen zu einem der bekanntesten Jazzstandards entwickelt. Dieser Song wurde in weit mehr als 10.000 verschiedenen Versionen aufgenommen und zählt somit zu den am meisten „gecoverten“ Songs der Musikgeschichte.

Moon River

...ist unbestreitbar eins der schönsten Liebeslieder der Filmgeschichte!

Als Liebesballade in dem Film „Frühstück bei Tiffany“ erhielt dieser Song 1962 den Oscar für den besten Film-Song.

Der Song wurde im Film von Audrey Hepburn gesungen, es gibt aber auch viele wunderschöne Versionen von anderen Sängern, wie Paul Anka, Louis Armstrong, Barbara Streisand, Frank Sinatra und vielen anderen...

Amazing Grace

In diesem Lied erzählt John Newton von seiner Bekehrung zum Christentum. Newton war im 18ten Jahrhundert Kapitän eines Sklavenschiffes, das in schwere Seenot geriet. In seiner Not betete er zu Gott und nach seiner Errettung behandelte er zunächst die Sklaven mit mehr Menschlichkeit, später gab er seinen Beruf sogar ganz auf und wurde Prediger. Er nahm Komponisten, Gesungen wurde der Song von bekannten Jazzmusikern – unter anderem von Elly Fitzgerald, Frank Sinatra und Dean Martin – aber später auch von Elvis Presley und vielen anderen!

Wade In The Water

Als einer der bekanntesten amerikanischen Spirituals gehört dieser Song zum Standardrepertoire eines jeden Gospelchores, wurde aber auch von vielen bekannten Jazz-, Soul und Popmusikern gesungen.

Einige der populärsten Versionen stammen von Ramsey Lewis, dem Golden Gate Quartet, den Harlem Gospel Singers und aus neuerer Zeit von der Sängerin Eva Cassidy.

My Way

Paul Anka schrieb den englischen Text zu dem französischen Chanson „Comme habitude“ von Claude François und Jacques Revaux. Nach eigener Aussage hat Paul Anka den Text ganz gezielt auf Frank Sinatra zugeschnitten, der mit diesem wunderschönen Song dann auch einen Welt-Hit gelandet hat. In dem Text geht es um einen Mann, der in seinem Leben um die Welt gekommen ist und am Schluß nochmal eine Rückschau auf sein Leben hält.

The room was humming harder
As the ceiling flew away
When we called out for another drink
The waiter brought a tray

And so it was that later
As the miller told his tale
That her face, at first just ghostly
Turned a whiter shade of pale

She said there is no reason
And the truth is plain to see
But I wandered through my playing cards
And would not let her be
One of sixteen vestal virgins
Who were leaving for the coast
And although my eyes were open
They might just as well ve been closed

O du fröhliche gehört zu den beliebtesten und bekanntesten Weihnachtsliedern. Und das nicht nur in Deutschland, sondern weltweit. Entstanden ist das Lied 1815/16 in Weimar. Das war die Zeit kurz nach dem Sieg über Napoleons Armee, als Europa am Boden lag, aber mit Hoffnung in die Zukunft schaute. Damals gab es viele Kinder denen der Krieg die Eltern und die Familien genommen hatte. Sie waren verzweifelt und irrten alleine umher, auf der Suche nach Essen und einer Zukunft. So auch in Weimar, wo der Schriftsteller und Laientheologe Johannes Daniel Falk (1768–1826) sich gemeinsam mit seiner Frau um Kriegswaisen kümmerte. Für diese Kinder dichtete Falk das Lied O du fröhliche, das damals nur eine Strophe besaß. Gesungen wurde es auf die Melodie eines alten sizilianischen Schifferlieds, das Johann Gottfried Herder in seine Sammlung Stimmen der Völker in Liedern aufgenommen hatte. Die Strophen zwei und drei fügte später der Sozialarbeiter und Kirchenlieddichter Heinrich Holzschuher (1798-1847) hinzu.

Damals war O du fröhliche kein reines Weihnachtslied, sondern ein christliches Lied, das zu allen christlichen Festen, also auch Ostern und Pfingsten, gesungen werden sollte. Doch eigentlich ist es ein Lied, das man immer singen kann. Damals, nach Napoleons Niederlage, begann eine Zeit der Hoffnung auf eine bessere Zukunft, die man gerne mit »O du fröhliche« bejubelte. Auch wenn das Lied aus der durch Krieg, Hunger und Leid hervorgerufenen Not geboren wurde, es sollte den Kindern, um die sich Falk und seine Frau kümmerten, Halt geben und Mut machen. O du fröhliche war für Falk nicht nur ein Lied, sondern eine Lebenseinstellung, ein

Ausdruck seines christlichen Glaubens und Vertrauens in Gott. Und dieses Vertrauen wurde damals dringend gebraucht. Denn als die Menschen endlich Napoleon vertrieben hatten, kam 1815 das nächste Desaster, das die gesamte nördliche Halbkugel der Erde traf: der verheerende Ausbruch des indonesischen Vulkans Tambora in den Tagen zwischen dem 10. Und 15. April 1815. Er gilt als die größte Eruption seit über 20.000 Jahren und versuchte globale Klimaveränderungen mit Auswirkungen auf das nordamerikanische und europäische Wetter, was dem Jahr 1816 die Bezeichnung »Jahr ohne Sommer« einbrachte und die schlimmste Hungersnot des 19. Jahrhunderts verursachte.

In diesen Zeiten sang Falk mit den Kindern: »O du fröhliche, O du selige, gnadenbringende Weihnachtszeit! «

Begründer der kirchlichen Jugendsozialarbeit

Johannes Daniel Falk führte sein Engagement für Kinder fort bis zu seinem Tod im Jahr 1826. Es heißt, dass Falk und seine Frau im Laufe der Jahre wohl 500 Kindern ein Zuhause gegeben haben. Sie kümmerten sich um andere Kinder und bewahrten sich den Glauben an Gott, obwohl sie in diesen schlimmen Tagen selbst vier ihrer Kinder durch Typhus verloren hatten. Damit wurde Falk ein Vorbild für andere, so auch für den Hamburger Pastor Heinrich Wichern (1808-1881). Dieser gründete im Jahr 1833 das »Rauhe Haus«, ein Rettungsdorf für arme Kinder, in Hamburg.

Auch dort wurde O du fröhliche zur Weihnachtszeit gesungen. 1844 nahm Wichern das Lied auch in das von ihm herausgegebene Buch »Unsere Lieder« auf. Damit begann der Siegeszug von O du fröhliche als Weihnachtslied. Denn Wichern ließ sich für »seine Kinder« einiges einfallen, um ihnen eine möglichst unbeschwerte Kindheit zu bieten und gleichzeitig auch zum Glauben zu führen. So nahm Wichern unter anderem ein Wagenrad mit Löchern und steckte für jeden Tag vom ersten Advent bis zum Heiligabend eine Kerze hinein. Es war die Geburt des Adventkranzes.

Und zu Weihnachten, so Wichern, gehöre auch Singen dazu. Und O du fröhliche passte perfekt zur Weihnachtszeit. Die Kinder und auch die Helfer, die Wichern später als Diakone zur kirchlichen Jugendsozialarbeit entsendet, verbreiteten das Lied rausch über die Grenzen Hamburgs hinaus. Mit den Aussiedlern zog es dann auch in die weite Welt hinaus und ist heute rund um den Globus als Weihnachtslied bekannt, schließlich beginnen alle drei Strophen des Lieds mit »O du fröhliche, O du selige, gnadenbringende Weihnachtszeit!« Sie stimmen und ein auf das Besondere der Weihnachtszeit: die Geburt Jesu. Diese wird jeweils im dritten Vers einer jeden Strophe herausgestellt um dann im vierten Vers die Freude darüber auszudrücken: »Freue, freue dich, O Christenheit!« Auch diese Zeile ist in allen drei Strophen gleich.
